# Zoning Amendment Requirements

## Planning Department

501.835.4753

1. Determine the Zoning classification you need. Sherwood Planning Staff can show you a list of businesses for each class according to the Schedule of Uses.
2. A change in Zoning classification requires a public hearing before the Sherwood Planning Commission. The Sherwood Planning Commission meets the second Tuesday of each month at 6:00 p.m. in the Sherwood Municipal Building located at 2201 East Kiehl Avenue, Sherwood, AR in the City Council Chambers.
3. The Planning Staff, located at 31 Shelby Road, Sherwood, AR, must receive complete submittal requesting a Zoning Amendment by the 15th day of the month, placing the item on the meeting two months following. Please refer to the Sherwood Planning Commission Deadlines and Dates (2022) attachment.
4. The fee for a Zoning Amendment is \$150.00, which includes a notice in the newspaper
5. A sign for the Zoning Amendment must be placed on the property spaced at every 100 feet of road frontage at least 15 days before the public hearing and must remain on the property until final action of the City Council. A \$30.00 CASH sign deposit is required per sign. Signs can be picked up at the Permits and Planning Department. If signs are not returned within 30 days after final action, the deposit shall be forfeited.
6. 11 copies of a letter requesting the Zoning Amendment shall be submitted to the Permits and Planning Department and must contain the following:
  - a. A legal description by an engineer or surveyor emailed to [permits@cityofsherwood.net](mailto:permits@cityofsherwood.net) in an editable format
  - b. Street addresses or Parcel ID
  - c. Names and addresses of all owners
  - d. The present and proposed zoning classifications
  - e. The present use of the property
7. 11 copies of a map to scale, which show the dimensions of each property line and adjoining right of way and the location of any existing structures on the property shall be submitted to Staff.
8. Electronic submission in both PDF and .DWG.
9. Proof of ownership (warranty deed) of subject property (1 copy) is required. If the applicant is not the owner, a signed letter from the owner(s) allowing the applicant to act on their behalf is required.
10. Notification letters must be sent to all property owners within 300 feet of the proposed Zoning Amendment. The letters must inform the person of the date, time, and location. Letters must be sent certified and the names must be obtained from a bonded abstract company. Certified Receipts from the Post Office must be provided to the Planning Commission Secretary at least 5 days prior to the hearing.
11. If the Planning Commission recommends the Zoning Amendment to the City Council, an ordinance will be drafted and sent to the City Council, which meets on the 4<sup>th</sup> Monday of each month at 6:00 p.m. in the Sherwood Municipal Building located at 2201 East Kiehl Avenue, Sherwood, AR in the City Council Chambers. The Sherwood City Council has final approval of all zoning requests.

Instructions for completing  
**Application for Planned Unit Development**

---

- NOTE: All required submission documents, charts, drawings of any kind must be submitted in digital format (dwg and/or pdf). Files may be delivered via compact disc (CD), thumb drive, or attached to an email (check with staff to determine the appropriate email address to use.) It is in the applicant's best interest to submit a completed application well in advance of the deadline for placement on the Planning Commission agenda.
- Purpose ✓ This form can be used for either a short form or long form zoning plan application. Check the appropriate box at the top of the form. If the proposed development will be on a single parcel and **will not be further subdivided** into more than one lot, check the "short form" box. If the proposed development **will require a subdivision of the property** in order to develop and sell separate lots within the overall development, check the "long form" box.
- Name of development ✓ Type or legibly print the proposed name of the development (e.g. "Woodland Commons")
- Developer ✓ Type or legibly print the name and complete address of the developer. If the developer/owner is doing business as (d.b.a.) a corporation, provide the name of the corporation or business.
- Contact Person ✓ Indicate the name of person/agent who is responsible for answering questions regarding this application.
- Threshold Requirements ✓ Indicate which of the threshold use requirements are applicable to this development. The explanation should be as complete as possible. Attach extra pages, if necessary, to fully document how the proposed uses meet one or more of the required criteria. (See *section 14.08.03, subsection A. of the Sherwood Zoning Code for further details*)
- Required Attachments ✓ Site Plan (see requirements in chart at pages 4-5; it is highly recommended that applicants also review the requirements in the Sherwood Zoning Code at 14.08.03)
- ✓ Narrative explanation should clearly indicate how the design of the proposed development will meet the findings required for the Planning Commission to approve. These include:
- How does the PUD provide public benefits that would not be achievable through the normal zoning regulations?
  - Are adequate public utilities already in place to service the property, or the developer has sufficient plans and private financial commitment in place to ensure adequate public utilities will be available to service the property?
  - Will the development not impose substantial negative external impacts on or prevent the orderly development of adjacent property?
  - Does the development's proposed use meet threshold requirements?
  - Does the development not endanger the public health, welfare or safety?
  - Is the development's design and intent consistent with the purpose of the PUD regulations as detailed in Section 14.08.01?
- (See *Sherwood Zoning Code, section 14.08.05, subsection B.5.*)
- ✓ Attach a copy of any proposed Bill of Assurance, Restrictive Covenants, or other legal instruments
- ✓ Applicants are required to notify owners of all lands in the vicinity of the proposed development that approval of the Planning Commission for the development will be requested by the developer. Notification consists of either certified or registered mail or a petition. (See *14.02.09 of the Sherwood Zoning Code for detailed requirements.*)
- ✓ Applicant must provide an explanation of the materials to be used and architecture to be employed for all structures in the project. This does not require detailed architectural drawings, but must indicate the kinds of materials to used and general design as represented in renderings. (See *section 14.08.03, subsection G. of the Sherwood Zoning Code for further details.*)
- ✓ While a formal floodplain analysis is not required, an analysis of significant drainage features is required. It is advisable to note on the site plan if any portion of the property is suspected to be flood prone. This analysis will become much more serious if the zoning plan is approved and a full-scale development plan is authorized.
- Certification ✓ The Developer must sign and date the certification.
